

Country Profile: Tajikistan

Tajikistan remains the poorest of the former Soviet republics in Central Asia. It is a nominally constitutional, democratic, and secular republic, dominated by President Emomali Rahmon who has been in power since 1992. Tourist facilities are undeveloped and many goods and services usually available in other countries are unavailable. Read the Department of State [Background Notes](#) on Tajikistan for additional information.

COUNTRY OVERVIEW

©2006-2024 Seven Corners Inc. + 303 Congressional Blvd., Carmel, IN 46032 + 800-335-0611

Seven Corners is one of the industry's most experienced travel health insurance providers. The company serves leisure, student, business, government and missionary/volunteer travelers. It offers an extensive selection of international medical and travel insurance policies to U.S. citizens traveling overseas or foreign nationals visiting the United States. Seven Corners has thousands of policy holders and a worldwide network of 30,000 agents. The company created and maintains the industry's most comprehensive network of international health care providers that includes thousands of doctors, pharmacies and hospitals around the globe. Seven Corners is a member of the United States Travel Insurance Association, is GSA certified and is currently pursuing a SAS 70 Type II compliant designation. In addition to travel medical insurance, Seven Corners also offers health care administration to the government sector. The company is privately held and headquartered just north of Indianapolis in Carmel, IN.
